# Wine Scoreboard

[illegible]

### To Score:

Each category of taste represents two points. A total of ten maximum points are available for each wine tasted. Ten points would be a perfect wine.

### Definitions:

**Color:** A wine should display vibrant color without the tinges of brown, unless very old.

**Bouquet:** Clean grape smells, nothing non-vinous.

**Fruit/Acid:** The wine should display good fruit and thirst quenching acid.

**Clarity:** No haze, pristine and clean in appearance.

**Body:** Not insipid, with good heavy feel in the mouth.
